What is Cornerstone Montessori School?

It is a place to learn.

It is a place to work.

It is a place where you are free to make your own choices.

It is a place to have fun.

...a place to meet new friends!

...a place to treasure old friends!

...a place where we respect animals and nature!

...a place where we love the outdoors!

...a place where we go on a lot of adventures!

...a place where teachers teach lots of different things!

...a place where we learn about many cultures!

...a place where individuals are respected for who they are!

...a place to express yourself!

...a place to explore your interests!

...a friendly and clean place!

...a place where students can be comfortable with their teachers and their classroom!

...a place where teachers get to know students and students get to know teachers!

...a place where teachers love the students and love teaching!

...a place to be together!

...a place to be part of a community with other classes!

It is like a family!

THAT is Cornerstone Montessori School!
